

DE-STA-CO Announces

Factory-Authorized Field Service, Parts & Repairs

The only factory warranted service for your CAMCO and FERGUSON products

Is your business ready for the economic recovery?

Let us help you prepare with factory-authorized field service, parts and repairs.

We provide factory warranted field service for your **CAMCO** and **FERGUSON** indexers, conveyors and parts handlers.

Our technicians can repair or maintain your Camco or Ferguson product in your plant...

Our technicians work in your plant - no need to ship equipment to CAMCO.

- ü On-site evaluation and repair of your CAMCO or FERGUSON products at a special **10% discount for the next 90 days!** *
- ü **Warranted work** by factory-trained technicians
- ü **CAMCO & FERGUSON Certified Parts**
- ü Extend product life and minimize total costs by having **Preventative Maintenance** performed at a special **P/M service rate**

...or you can send your unit to us for a full inspection and rebuild

- ü **Quick turn-around** on your repair
- ü Camco will **pay the freight** (both ways) for the next 90 days* for most products returned for repair
- ü **Full disassembly and inspection** to ensure the quality of critical parts.
- ü Use of **guaranteed** CAMCO & FERGUSON parts
- ü Reassembled to "as new" specifications
- ü Full **One-Year** Warranty

Factory-Authorized Service, Parts & Repairs. The best just got better.

* Schedule your field service or repair by July 7, 2009 to receive the 10% Field Service Discount or Free Freight.
