### DE-STA-CO Announces Next-Day Shipment of 601RDM Index Drives

*Auburn Hills, Michigan, September 8, 2008* — In a commitment to meet the industry's needs for faster turnaround times, DE-STA-CO has announced next day shipment of their most common models of the CAMCO 601RDM index drive. To ensure availability to all customers, the express shipping policy is limited to a maximum of two units per order.

The Xpress 601RDM is offered with 4, 6 or 8-stops and a standard drive package that includes:

- R180 30:1 reducer, D-1-RH mounting
- 1/3 hp AC motor
- IM-pAC AC drive (240 VAC)
- Cycle cam and limit switch

To ensure maximum reliability, the units feature overload protection provided by an IM-pAC AC drive.

#### About DE-STA-CO

DE-STA-CO, a Dover Company, is a worldwide leader in the innovation, design, manufacture and support of clamping, gripping, indexing, transfer and robotic tooling solutions for workplace and automation needs. The company has two major business units: Automation and Workholding, and has operations in all major continents. The company is committed to the Team DE-STA-CO philosophy, a progressive approach to doing business that focuses on providing consistent, standard-setting service and products to every customer, regardless of geographic location.

For more information on DE-STA-CO workholding products, please call 1-888-DESTACO or e-mail [cs-workholding@destaco.com](mailto:cs-workholding@destaco.com).

For more information on DE-STA-CO automation products, please call 1-888-DESTACO or e-mail [cs-automation@destaco.com](mailto:cs-automation@destaco.com).
